About GeNext MedEd Foundation /

GeNext MedEd Foundation is a registered academic trust committed to strengthening the skills and knowledge base of **young ENT surgeons** across India, especially those working in underserved areas.

Our mission is to make **high-quality surgical education** accessible, practical, and meaningful.

We focus on academic growth through **structured training programs** including CMEs, clinical fellowships, and hands-on workshops like the **Temporal Bone Dissection series**.

This particular workshop is part of the GeNext ENT Surgeons Platform, a quarterly academic initiative tailored to help surgeons refine their craft from **pinna to petrous**.
